**11 CRYPTON FABRIC**  
[cryptonfabric.com](http://cryptonfabric.com)  
Crypton Wall by Designtex high-performance wall fabric is made with recycled polyester yarn and can be applied as wall coverings, panel systems and partitions.  
BOOTH 100/OWNERS' GRILL

**12 D'STYLE**  
[dstyleinc.com](http://dstyleinc.com)  
Constructed of stainless steel, the Camden console blends seamless curves, straight edges and a mirror finish.  
BOOTH 713/GUEST ROOM DESIGN COMPETITION

**13 ARCHITECTURAL SYSTEMS**  
[archsystems.com](http://archsystems.com)  
The IceMetric tile collection mixes polished, frosted and iridescent glass with natural stone. The indoor/outdoor mesh-backed material comes in eight geometric patterns.  
BOOTH 309

**14 SAMUELSON FURNITURE**  
[samuelsonfurniture.com](http://samuelsonfurniture.com)  
Blending stainless steel and wood, the 7987 dining table is a multifunctional piece of furniture with sleek, curvy lines. Has a 48-in. diameter.  
BOOTH 611

**15 MTS SEATING**  
[mtsseating.com](http://mtsseating.com)  
The COMFORTmesh back version of the Bolero chair is lightweight and has a durable extruded aluminum alloy frame that stacks up to eight high.  
BOOTH 501

**1 VICTORIA + ALBERT**

[vandabaths.com](http://vandabaths.com)

The Cabrits tub contours to fit the body for improved support and comfort, and its Englishcast construction provides insulation.

**2 ALESSI**

[alessi.com](http://alessi.com)

Designed by Piero Lissoni, the Birillo floor towel hanger is made from chrome-plated steel.

**3 TOPEX**

[armadiaqua.com](http://armadiaqua.com)

The waterproof, wall-mounted Armadi Art Aqua vanity collection's treatment options include crocodile-textured leather (shown) and gallery-style art that's printed directly on the surface.

**4 THG**

[thgstyle.com](http://thgstyle.com)

Created in collaboration with French designer Olivier Gossart, the S0 faucet features a waterfall spout and optical glass handles that are laser engraved with the French words for hot and cold.

**5 THE CG COLLECTION**

[thecgcollection.com](http://thecgcollection.com)

The Monterey bath vanity is made of oak wood with a gray finish and has a gentle curve at its base. Includes a handmade, suspended-slab countertop and a black granite sink.

## PRODUCT SHOWROOM BATH + SPA

### 15 BAINULTRA [bainultra.com](http://bainultra.com)

The company's bathtubs are available with an optional Geysair system, which maintains water temperature by heating and humidifying its air jets.

### 16 VIA MOTIF [viamotif.com](http://viamotif.com)

Inspired by ancient basketry, the Polystrap accessory collection is handwoven from recycled polypropylene.

### 17 DEX INDUSTRIES [dexindustries.com](http://dexindustries.com)

The Slope trough sink can be made with DEXterra sustainable glass terrazzo or polished concrete. Shown cantilevered from the wall with matching bench and the company's ONO tile. ●
