INTERIOR PHILOSOPHY CO-OWNER MANDY MAYERS FASHIONS AN Alys RETREAT WITH MOROCCAN-INSPIRED DETAILS THAT PAIR PERFECTLY WITH FLORIDA'S CRYSTAL-BLUE COAST.

One of the best views in the house is from the guest bathroom. Mayers opened up the bathtub window, as well as the wall above the vanity, so those views could be enjoyed from the adjoining bedroom. Patterned tiles from the Cement Tile Shop fill the oasis. *opposite* Varying neutral hues fill the bedroom, where a three-tiered coco-bead chandelier from Interior Philosophy hangs from the vaulted ceiling, which features hand-chiseled, rounded beams.
