Clean Geometry

Inspired by the Art Deco skyscrapers of New York, the Manhattan three-hole faucet is crafted from solid brass. It's available in polished brass, chrome, nickel, weathered bronze, satin nickel, and satin chrome finishes. Pricing starts at \$1,500. From Barber Wilsons, (800) 727-6317, barwil.co.uk

Crystal Clear

From the restoration hardware source now celebrating its 100th year, the hand-cut, lead-crystal octagonal doorknob comes in a dozen colors as well a brilliant clear version. Mounted on a solid brass base, the knobs are \$49.99 to \$59.99 per set. From Crown City Hardware, (626) 794-0234, restoration.com

Luminous Flyers

A pair of loons created from sandblasted, European flashed black glass graces a made-to-order stained-glass window. The piece also includes American Blenko and Kokomo opalescent glass. A similar 29" x 32" piece would cost about \$4,250. From Anne Ryan Miller Glass Studio, (812) 988-9766, anneryanmillerglassstudio.com
