RECYCLED LUXURY

We love that this new line of cabinet hardware looks like bronze but is actually cast from 100 percent post-consumer recycled aluminum. **Pomegranate collection, knobs: \$13-\$40, pulls: \$23-\$39, Du Verre Hardware, 416/593-0182, duverre.com.**

STREAMLINED VANITY

This eye-catching vanity not only shows off a sleek modern style, but also includes practical features. The basins can be installed before the console, saving time and money on installation. **Onto console, \$1,670 for two-sink vanity shown, Duravit, 888/387-2848, duravit.us.**

COOL FEATURES

This large-capacity, French-door model includes a Wi-Fi LCD screen with apps that lets you access recipes online, check the weather, or get the latest news. How long before it will be reminding you to eat your veggies too? **RF4289 four-door LCD fridge with apps, \$3,499, Samsung, 800/726-7864, samsung.com.**

“THE MOST POPULAR FRIDGE FEATURES OFFER FLEXIBLE ORGANIZATION: REMOVABLE CADDIES AND ADJUSTABLE DIVIDERS AND SHELVES.”
