off the shelf **BATHS**

Even if you can't embark on a major remodel, you can still go green in your bath. Swap out a plumbing fixture, add accessories, or make existing elements more efficient.

bamboo veneer

Use PureForm veneer and edge banding made from sustainable bamboo to cover or create a bath vanity, countertop, cabinetry, and more. Choose from flat or vertical grains and natural or caramelized hues. Plus, the adhesives used are formaldehyde-free. Teragren; 800/929-6333; teragren.com

aluminum hardware

Dress up a vanity with hardware made from recycled aluminum, including the Forged 3 collection (\$15-\$79). Other collections start at \$8 a pull. Du Verre; 416/593-0182; duverre.com

Bypass the landfill. Donate your gently used materials to a local ReStore (habitat.org).
