Splash on style with an artful sink or faucet. From graphic lines to graceful curves, this product showcase covers all the angles—and finishes, too!

sinks & faucets top

Sculptural Intrigue

This angular faucet, *above*, is a work of art and a functional fixture—worth the splurge! The fingerprint-resistant finish also earns high marks.

Fontaine faucet, \$820, Graff; 800/954-4723; graff-faucets.com

Subtly Sloped

Tranquility reigns with this gently sloped sink, *right*. The faucet follows suit with a similar minimalist design.

Demilav Wading Pool sink and Purist tall single-control faucet, \$350 (sink), \$469 (faucet), Kohler; 800/456-4537; kohler.com
