HARDWARE HUES

Use decorative hardware to add impact to your furnishings with little effort. Knobs and pulls, available in almost every color and finish, can easily be changed if you grow tired of the look.

Countertops Count

Work surfaces don't have to be colorless. Subtle (or vivid) tones in your countertops can support the overall design.

APPLIANCE APPEAL

When selecting appliances, ask yourself whether you want them to blend in or make a statement. If you want to draw attention to your appliances, go bold and select brightly colored models.

COLORFUL COLLECTIBLES

Show off dishes collected over the years and introduce some color into your kitchen. Colorful plates and bowls are a great way to add small doses of color to any room.
