5 Interface Hospitality
www.interfacehospitality.com
The Head Over Heels collection of modular carpet tile can be configured to create wall-to-wall or area rug looks, and comes in a variety of colors. Non-directional installation and mergeable dye lots prevent mismatched tiles.

6 BR-111
www.br111.com
Brittany Oak 8-in.-wide plank flooring blends contemporary and rustic styles and features a brushed texture in smoked chocolate.

7 Brintons
www.brintons.net
Designed by Stacy Garcia, the art deco Speakeasy collection of woven Axminster carpet features embellished patterns with crisp symmetry and industrial angles.

8 StonePeak Ceramics
www.stonepeakceramics.com
Materia 3D porcelain tile is made with advanced ink-jet technology and the Satinato polishing technique. Available in five colors, two finishes and complemented by trims and mosaics.

9 Coverings Etc
www.coveringsetc.com
The Eco-Terr Retro eco-friendly terrazzo flooring has decorative geometric patterns with roots in the art nouveau era.

10 Glass Recycled
www.glassrecycled.com
GlassPlank flooring combines crushed glass, porcelain and mirror finishes with epoxy resin to match virtually any paint color. No seal is needed for this heat-, scratch- and stain-resistant hard surface material.
