HOUSE OF CONCRETE
Amsterdam

Fresh Resources

Materials like stone, bamboo and crystal reinvigorate bath and spa options.

1 Agape

www.agapedesign.it
Evoluzione is a line of modular bathroom countertops and storage units designed by Benedini Associati. The collection includes countertops made of Exmar, wood or a bio-based Cristalplant material (shown).

2 Stone Forest

www.stoneforest.com
Each Natural Tub is carved from a single block of granite (shown), marble, onyx or travertine and features variations in color and pattern.

3 Boffi

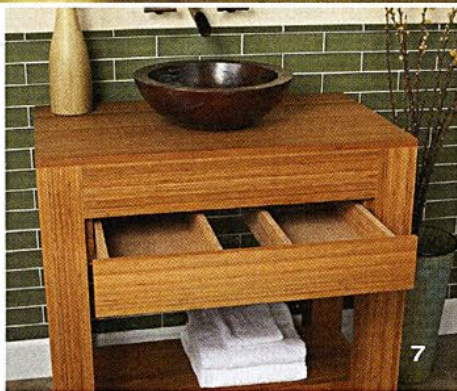

www.boffi.com
Designed by Marcel Wanders, the Pipe stainless-steel shower comes with an optional red ceramic cartridge mixer handle. Available in wall- or floor-mounted versions.

4 Diamond Spas

www.diamondspas.com
The stainless steel, double-walled Regal Bath tub has a bowed top ledge and supportive bottom shanks. Measures 36 by 72 by 25 in.

- 5 **BainUltra**
www.bainultra.com
The freestanding Essencia Rectangular tub's built-in, inverted-V backrest has a dual row of air jets and a hydro-thermo massage.
- 6 **Victoria + Albert**
www.vandabaths.com
Inspired by cubic design, the Edge Collection is suitable for limited spaces and includes a bathtub and the 45-Vessel basin.

- 7 **Native Trails**
www.nativetrails.net
Handcrafted from solid, sustainable bamboo, the Sumatra Vanity has an integral top that coordinates with any surface-mounted sink and a soft-close drawer. Shown with Maestro sink.
- 8 **Xylem**
www.xylem.biz
Wave vanity and mirror's Asian-inspired design details include a dark walnut finish, a white vitreous china sink and a black granite stone top.

- 9 **Axor**
www.hansgrohe-usa.com
The Citterio Single-Hole Faucet by Antonio Citterio has an adjustable jet angle and a low-flow rate of 1.5 gallons per minute.
- 10 **California Faucets**
www.calfaucets.com
StyleDrain has no visible screws and is available in 30 finishes. The fast-flow decorative shower drain handles water flow from rain bars, body sprays and multiple shower heads.
