1 VICTORIA+ALBERT

www.vandabaths.com

A collaboration with Italian design house Meneghello Paoletti Associates, the Amiata Collection includes a tub and wash basin. The double-ended tub is cast in a single piece made from resin and volcanic stone.

2 JACLO

www.jaclo.com

Available in 8-, 10-, 12- and 16-in. versions and 24 finishes, the Rain Machine shower head comes in square or round shapes. The fixture has an all-brass body and rubber jets.

3 LEFROY BROOKS

www.lefroybrooks.com

Inspired by the 1940s and the mid-century modern look, the Fleetwood Cross Handle Thermostatic Shower Control with Two Lever Flow Controls is made from brass. Finishes include polished nickel, brushed nickel, polished brass and polished chrome (shown).

4 MOEN

www.moen.com

The Align Collection includes a lavatory faucet (shown) and accessories. A 4.8-in. version of the faucet can be installed under electric or surface-mounted mirrors.

PRODUCT SHOWROOM

9 HASTINGS TILE & BATH COLLECTION
www.hastingsstilebath.com
Created by artisan glass manufacturers, the Flower Petal Pedestal sink is made from lightweight materials such as fiberglass. Available in gold, silver, black, white or Ferrari red (shown).

10 MTI BATHS
www.mtibaths.com
The acrylic Laney 2 features one-piece integrated design that recalls the look of a pedestal-style tub. Available as a freestanding or drop-in model, this addition to the Designer Collection offers several therapy options. ●
