6. Warm Front

Designed for hydronic heating, Radiant Ready 30E is a radiant mechanical room that comes in a pre-assembled, easy-to-install panel. The installer simply hangs the panel and connects the tubing, thermostat, and electrical power. It's designed to cover up to 2,000 square feet of radiant floor heating and 4,000 square feet of radiant floor warming. **Uponor Corp.** 800-321-4739. www.uponor.ca. Booth no. W1329. Circle no. 20.

7. Wood Tones

The custom wood double-hung windows now come with a variety of enhancements that improve their look and performance. Features include a concealed jamb liner that is covered with the matching interior wood choice, a tilt latch that allows for easy window cleaning, and a larger bottom rail. It comes in various styles and sizes. **JELD-WEN.** 800-877-9482. www.jeld-wen.com. Booth no. W642. Circle no. 21.

8. Tiger's Eye

Zinfandel Tigerwood is an engineered-wood flooring that features light scraping on each plank and French bleed edges to accentuate the wood floor's grain variation. Boards measure 5 inches wide, ½ inch thick and come in varying lengths from 12 inches to 71 inches. The product is made with multiple layers so it can be installed in basements. **BR-111.** 800-525-2711. www.br111.com. Booth no. 308. Circle no. 22.

9. See Through

The Genovations Glass Railing adds safety to a deck without blocking the view. Aluminum channels support the top and bottom rails with die-cast metal brackets, and PVC covers hide the hardware. Finished in a low-gloss, satin sheen, the railing comes in 6- and 8-foot sections and six shades. **Genova Products.** 888-309-1808. www.genova-products.com. Booth no. 5671. Circle no. 23.
