PRODUCTS

EFFICIENT, SUSTAINABLE AND SIMPLY STUNNING NEW FINDS

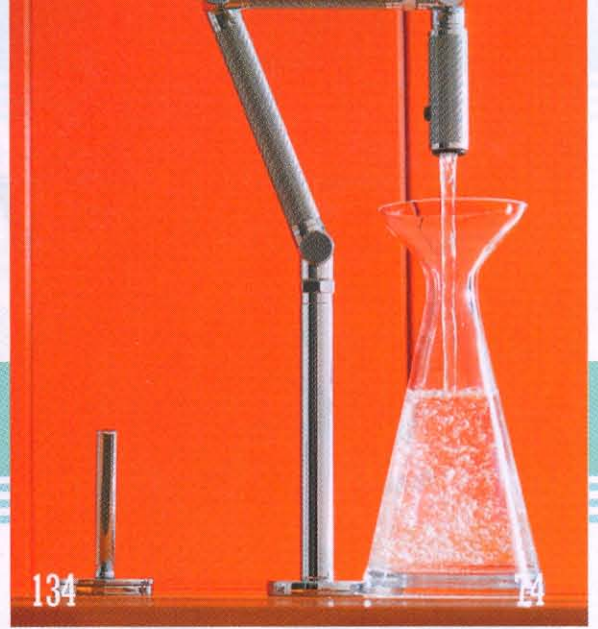

BY DIANE SPEROS

“Business as usual” is a thing of the past. Today’s ready-to-buy products offer the look and function of custom design, minus the price tag and wait time. Check out the sustainable sink, flexible faucet and go-anywhere tiles in patterns you’d never imagine. Glass has been recycled and rethought—now it covers countertops or whole walls. And don’t miss the must-have gadget that can chop *and* serve a salad.

ARTFULLY INSPIRED

Part of Alchemy Glass & Light's Cienega series, the Lava sink is the result of an intricate glass fusion process. Trapping precious minerals and metals from within produces a naturally dramatic color palette so unique that no two pieces are ever the same.

MASTER MULTITASKER

Countertop, cutting board, colander—the Mythos modular sink from Franke is a stylishly sensible option for the busy cook.

frankeksd.com; 800-626-5771

LUNA ECLIPSE

Sleek and seductive, Graff's Luna Lavatory faucet's streamlined design takes geometry to a higher plane. Available in either polished chrome or a satin nickel finish, it's offered with either deck- or wall-mounted handles.

CENTRALLY CIRCULAR

Ergonomically designed with freely rotating functions and accessories such as cutting boards (with and without cutouts), the KWC Waterstation can be customized to suit every need. For gourmets and fast-fix cooks alike.

CURVES AHEAD

Bean-shaped with a customized, removable cutting board, Elkay's stainless steel Mystic sink offers added functionality for cleaning larger cookware and baking sheets.

BIG CITY STYLE

Dynamically rendered yet thoroughly practical, Sonia's City air wall mount console can adapt to any size interior. A modular configuration with three size options, it can be as simple or complex as needed. Storage provisions include open shelving and a spacious drawer below the basin. Choice of walnut, wenge, white or ash finish.

MINIMAL IMPACT

A blend of clean aesthetics with ample counterspace, Kohler's Traverse vanity is a low-emission, eco-friendly design. Fitted with two pullout drawers with full-extension slides plus an external shelf, exposed towel bars and removable cosmetic trays, it organizes items large and small with little effort.

DECORATIVE UNDERSTATEMENT

Traditional in look but modern in function, the Orrington Collection gracefully utilizes oval shapes, which contrast beautifully with other silhouettes. Soft-close doors open to reveal inner side pocket shelves and removable interior trays. New from Danze, it's available in 24- or 30-inch widths with a beveled edge mirror.

CUBE CREATION

Comprised of a collection of cubes and shelves that combine to suit any space or storage need, Vanity Flair's Newport Cube series brings modular design to a new level. Proportionally balanced with a clean façade, it can be customized with open or closed storage, a counter-shelf extension or a medicine cabinet.

EASY DOES IT

A new vanity can do wonders for your bathroom, but it's not always a quick or easy update. With Kohler's new EasyInstall system, pieces are hinged for partial flat packing for hassle-free transport and assembly. Choice of four styles, with coordinating wall mirrors and pullout storage drawers available.

CURVED TO FIT

Personalized to fit the body's natural curves, The Body Tub is completely customized to suit your figure and preferences. All are designed to fit into a standard tub space and can be equipped with aromatherapy, air or whirlpool jets, lighting and heating.

MODA RAIL

New to our shores, Italian manufacturer Gessi incorporates state-of-the-art equipment with stylish innovation. Part of the Ovale collection, this sliding rail is fully equipped with a hand shower and 59-inch flexible hose.

LET IT RAIN

A common spa element used for water massage and body therapies, Jalco's Rainbar creates a custom bath therapy in the privacy of your home. Top and bottom rotate at an impressive 360 degrees with independently offset jets that produce a spreading spray that soothes body and soul.

jalco.com; 800-852-3906

SOAK IT UP

Low maintenance with an eye-pleasing form, the Elise 2 soaking tub's petite proportions and gently curved walls cradle the body while it calms the spirit. New from MTI Whirlpools, it's available in matte-finished white.
