A modern bathroom featuring a white vanity with a rectangular sink, a wall with a mosaic of small, multi-colored tiles, and a shower area with a glass door. A vase of blue flowers sits on the vanity. The overall aesthetic is clean and minimalist.

Clean lines and an ethereal white decor make this high-rise bath a heavenly retreat.

An expansive window and 10-foot-high ceiling boost space and light in this luminous master bath. A steam shower and a soaking tub, made from a blend of volcanic limestone and high-performance resins, blend smart style and function.
