Charge it!

1 Give your place settings a layered look with handmade terracotta chargers. Designed to coordinate with additional companion pieces, these gloriously over-the-top underplates are painted with swirls of stylized foliage and luscious blooms.

5 Create waves of excitement with hardware inspired by the sea. Crafted by skilled artisans, each knob, handle or pull is available in burnished silver, antique gold, brass or museum gold and is embellished with Swarovski crystals.

www.edgarberebi.com. 508-336-2205

6 Send a greeting that doubles as a gift. This 12" wide paper fan folds into a regular large envelope. Open the embossed segments, trimmed with ribbon and tassels to reveal a sentimental keepsake.

Celebrate Your Love

Looking for ways to enhance your relationship? This heartfelt booklet shows you how to say "I love you" with thoughtful little deeds that will keep your love affair fresh, exciting and passionate, no matter how many years you have been together. In the words of Franklin P. Jones "Love doesn't make the world go round. Love is what makes the ride worthwhile." www.rylandpeters.com
