cabinetry

Armstrong Cabinets

armstrong.com

800/527-5903

Flat, solid-maple doors and oversize stainless-steel pulls say "contemporary" in Moderno cabinets, one of several semicustom offerings.

Lasertron, Inc.

lasertrondirect.com

954/846-8600

Custom replacement cabinet doors look like wood, but they're durable stainless steel. Choose solid panels or doors inset with glass or steel.

Aristokraft Cabinetry

aristokraft.com

800/400-4265

Along the wall or in an island, this 30-inch base microwave oven cabinet, one of several Design Solutions options, saves precious countertop space.

cabinetry

Merillat Industries

merillat.com

866/850-8557

Somerton Hill, from the Classic line, is one of many raised-panel styles suitable for detail-enhancing glazed finishes.

Vanity Flair

vanityflair.net

888/479-4108

Celebrate Art Deco design with a curvy console. The Artistry collection includes this vanity, a mirror, and a companion tub surround, all available in more than 40 finishes.

KraftMaid Cabinetry

kraftmaid.com

800/571-1990

The Harmony Storage Solutions line ranges from drawers, roll-out organizers, and tambour cabinets to this wall pantry on full-extension runners.

Graff Faucets

graff-faucets.com

800/954-4723

All curves and subtle shine, the Vintage faucet and matching side sprayer come in finishes to complement any kitchen: polished chrome, brushed nickel, oil-rubbed bronze, pewter, antique copper, or antique brushed brass.

PricePfister

pricepfister.com

800/732-8238

Single-control, pull-down faucets in the Ashfield (shown), Hanover, and Treviso lines boast adjustable spray volume to prevent splashing.

PUR

purwater.com

800/787-5463

Filter and flavor tap water in one step with a PUR Flavor Options cartridge. The company also makes end-of-faucet filters, a dedicated sink-side tap, filter-equipped portable pitchers and dispensers, and built-in refrigerator filters.

MTI Whirlpools 

mtiwhirlpools.com

800/783-8827

The Andrea series of luxury bathtubs merges minimalist design with luxurious double-wall acrylic for beauty and strength. Tubs may be ordered with heaters and with air jets for a light, full-body massage.

Linkasink

linkasink.com

866/395-8377

Like all of this company's eight handcrafted Cloisonné creations, the intricate Circles sink measures a generous 17 inches across. All styles are available for above-counter or undermount installation.

Sonia America, Inc.

sonia-sa.com

888/766-4287

Inspired by a water drop, the Delta double-basin sink gleams in Anthracite (shown), frosted, or Snow tempered glass. A single wall-mount style is also available.

Hydrotherapy plays a new tune in a line of tubs equipped with invisible surround sound. Using each tub's acrylic shell as one giant speaker, the optional system immerses a body in music.

Bear Creek Glass
bearcreekglass.com

205/324-9339

Hand-blown glass is coaxed into four shapes—Classic, Fusion, Ocean, and Splash—to create works of art disguised as practical sinks. This is Splash in Emerald Isle, one of 17 colors.

Bear Creek Glass

bearcreekglass.com

205/324-9339

Hand-blown glass lavatories in the company's Classic, Fusion, Ocean, and Splash styles now find a perfect match in glass pendant lights. Choose from three styles and almost 20 colors.

Sea Gull Lighting

seagulllighting.com

800/347-5483

Transform your crystal or collectibles into focal-point storage. Low-voltage strip and disk lighting are easy to install inside cabinets or below upper units to brighten countertops.

Eleek, Inc.

eleekinc.com

503/232-5526

Available as incandescent or fluorescent, the Teahouse chandelier suspends five pendants like windchimes beneath its canopy. All of the company's fixtures are made using recycled aluminum.
