HIGH-DESIGN FAUCETS

8. Hidden Sprayer A button behind the spout releases a retractable hose, otherwise invisible in the Solna faucet from Brizo. *From \$399; brizo.com.*

9. Touch Technology The high arc of the Trinsic model from Delta brings a dramatic look to cutting-edge sensor-faucet technology. The spout turns on with a light tap. *From \$560; deltafaucet.com.*

10. Modern Shape The Livello faucet has a striking 90-degree curve and an extra-long pull-out sprayer. The 12-inch height makes filling big pots easy. *From \$790; kwcamerica.com.*

Smart Sinks

11. PERFECT FIT Kohler's Whitehaven sink, available with a 7- or 9-inch apron front, was designed to fit most standard cabinets. *From \$990; kohler.com.*

12. TEXTURED Waterworks's oversize utility sink (22 inches wide and 16 inches deep) is made from soapstone, which is hand-scored to create a textured pattern. *\$8,000; waterworks.com.*

13. SUSTAINABLE Lenova uses mature, environmentally friendly bamboo for its durable, undermount double-basin sink. *\$1,110; lenovasinks.com.*

14. SPACIOUS In this new sink for Kallista, top kitchen designer Mick De Giulio put the drain in the corner to maximize usable sink space and storage under the cabinet. *From \$1,895; kallista.com.* ●
