# Editors' Picks

## THE PERFECT ACCENT

► Textural Designs' decorative, three-dimensional wall panels are made from gypsum. Mineral-based and completely recyclable, they're also durable and fire safe. Appropriate for accent walls, backsplashes and more. Also available as interlocking tiles. [texturaldesigns.com](http://texturaldesigns.com)

## A SUSTAINABLE CHOICE

▲ Made in Germany, eco-friendly Uneathed Paints come from minimally processed natural ingredients such as clay, chalk, lime and Italian marble. The paints are biodegradable, vegan and 100 percent VOC-free; they are tinted with earth and mineral pigments. Paints are shipped in powder form to extend their life; just add water. ## THE LOOK OF LAVA

▼ Pyrolave manufactures enameled lava stone, taken from a volcanic lava stone quarry in France; the stone is glazed, colored and shaped into a durable surface for countertops. Pictured here, a lava-stone surface clads the island in a clean-lined, modern kitchen. Available in 16 glossy and 16 matte colors. [pyrolave.com](http://pyrolave.com)

## ENGLISH STYLE

▲ British architectural hardware company Ashley Norton's new Urban Suite EntrySet is crafted of solid bronze, shown here in a white bronze patina. The Urban Suite is available in a variety of finishes, with a choice of eight levers and a combination of escutcheons. [ashleynorton.com](http://ashleynorton.com)
