Intelligent Design. Welcome to the evolution.

Source Contract's Amelia series features four different seating options: Amelia Side Chair, Amelia Arm Chair, Amelia Bar Arm and Amelia Bar Armless. These chairs, which can be used indoors or outdoors, are made of powder-coated aluminium and UV protected dura-wood. According to the company, they are lightweight and stackable.

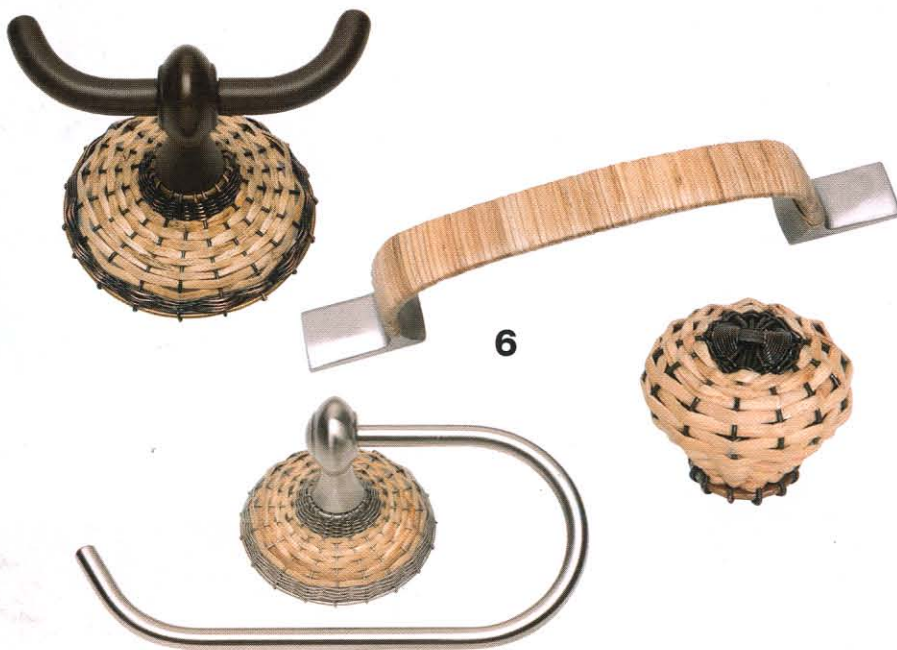

Fabricut Contract's latest line of FR-One fabrics consists of 55 patterns and 455 total units. According to the company, the FR-One brand is known for offering technically superior fabrics that exceed all of the most stringent fire-retardant standards applied anywhere in the world. The patterns featured here are (from top to bottom) Linette, Marsano and Illusion.

Beaufurn's Eve modular lounge seating, uses only four units to produce seating for two or 20. According to the company, Eve can wind sinuously back-to-back through a lobby, turn corners or be used as traditional booth seating. In addition to being available in any of Beaufurn's Graded-in fabrics, customers can provide their own custom fabrics for upholstery. Eve is made in the U.S. with FSC wood and soy-based foam. Two seatback heights are available and base options include brushed metal or wood feet.

Samuelson Furniture's 7893 ottoman is adorned with decorative feet and features a detached serving tray. The hand-rubbed feet, shown here in tarnished silver, come in more than 30 standard finishes. It measures 19 in. high, 42 in. wide and 28 in. deep.

Carnegie's Infinity Collection is a plush upholstery line consisting of five patterns, and is designed with high-tech fibers to withstand anywhere between 50,000 and 100,000 double rubs, retain color and repel stains. According to the company, the patterns—florals, stripes, solids and plaids—are reinterpretations of classic upholstery.

Atlas Homewares' Hampton's Hardware collection features eco-friendly, handcrafted pieces woven with natural-hued bamboo. Styles range from knobs and pulls, to bath hooks towel bars and rings, to toilet paper holders. The collection is available in brushed nickel and aged bronze finishes.

MTS Seating's Chairaz Series features a high-strength, aluminum-alloy frame and is offered in six colors. Additional colors are available. The chairs weigh 10 lbs. and are 100% recyclable.

Tetard-Haudiquez-Grisoni (THG) has unveiled Perle, a new collection featuring Lalique crystal, in partnership with interior designer Pierre-Yves Rochon. Defined by a necklace of transparent satin crystal pearl droplets engraved along the spout and refined cylindrical handles, Perle is available for washbasins, showers and baths. It is offered in chrome, nickel, polished luxbrass and gold finishes.
