“The stunning water view reminded me of a recent trip I took to the Greek isles”

—Elizabeth Dow

Elizabeth Dow Home MASTER SUITE

Designer Elizabeth Dow employed sand, gray, and ochre tones to create a serene, seaside-inspired oasis. “The stunning water view reminded me of a recent trip I took to the Greek isles,” says Dow. “The drapery was inspired by fishing nets, and the Murano glass chandeliers are reminiscent of beach glass.”

The Goods

A Dalton Portella photograph is mounted on the master bedroom wall (ABOVE); Elizabeth Dow designed the American black walnut chair and desk. The tub and fixtures in the adjoining bath (NEAR LEFT) are from Victoria + Albert. The master bedroom deck (OPPOSITE TOP) features seating from Liaigre’s Filao collection. In a guest bedroom (OPPOSITE BOTTOM), a Carmiña Roth-designed live-edge platform bed is dressed in Calvin Klein Home bedding. The ceiling pendant is from Room; Farrow & Ball paint covers the walls and trim. See [Resources](#).
