OLD WORLD ELEGANCE MEETS CASUAL LUXURY

ample room and holds a four-poster dark wood bed and a pair of comfortable chairs decorated with striped pillows that pop against the room's wood and natural tones. A textured rug in a sandy hue completes the warm look of the master suite.

The English Victoria + Albert volcanic stone and resin tub, set in a windowed alcove, is the focal point of the master bath, which offers views of the outdoors. His-and-her light wood stained vanities with polished Sicilian mocha-hued limestone tops and a travertine-clad glass enclosed shower add to the room's comfort and functionality.

A pool and spa set in a travertine paver pool deck are among the Girona's spectacular outdoor amenities. The pool is adjacent to a series of arched doorways that delineate the outdoor living and dining area. The space features celadon-hued outdoor furnishings and a wooden ceiling fan. The home's BuzzOff misting system provides natural protection against insects, allowing guests to enjoy the outdoor space year-round, day or night.

"The outdoor area is one of the special features of this home," says Scott. "It offers plenty of space for entertaining, a summer kitchen, a separate raised spa, and fire and water features clad in cobalt mosaic tiles. Plus, there's additional seating beyond the pool covered by an arbor that's flanked with palm trees."

"The setting is truly awe-inspiring," describes Nairnsey. "It boasts all the tropical flora and fauna of Florida in a luxury setting." The model, priced at \$1,968,600, represents one of London Bay's 18-plus available floor plans in the community. Furnished models are open daily at The Founders Club, which offers home and homesite packages from the \$750,000s to more than \$5 million.

London Bay Homes builds custom and semi-custom homes from Marco Island to Sarasota and offers full-service interior design through Romanza. London Bay's team of in-house architects and designers can modify and enlarge spaces, move and reconfigure walls, meld architectural and interior design elements, and create additions and second stories, all tailored

The sun-filled master bathroom offers a Victoria + Albert volcanic stone and resin tub, set in a windowed alcove with views of the outdoors.

Opposite: Situated in a private wing, the master bedroom features floor-to-ceiling French doors, a four-poster bed, blonde woven raffia bedside night stands, and a sisal area rug.
