Building the bathroom your dreams is a little like putting together an outfit for a special occasion. Start with the foundation, of a chic soaker tub, which becomes your little black dress. Layer in gorgeous faucets and lighting to represent the designer handbag and shoes. Add finishing touches with sparkling bath accessories as the jewellery to complete your look. And just like that, your fashionable bathroom is on the best-dressed list!

Creative vision

Striking, precise and rectangular, yet soft and flowing.

Sweet dreams

These sophisticated agate nightlights have a luminous glow to brighten your pathway at night.
