Be brave. Be creative and make the time this summer to take a bold and refreshing new look at the showers, tubs, sinks and tiles in your home. After all, when it is lighter for longer and hot outside, visiting showrooms is so much easier. So, whether it's a simple upgrade or the start of a dramatic and stylish new bathroom you're after, why not take the plunge and get started.

Golden girls

Valo's iconic single lever faucet, designed by Arne Jacobsen, remains a timeless classic.

5 tips
to get
the look

1. Embrace your curves; that is, with curvaceous bathtubs and vanities.
2. Invigorate your space with vivid pops of colour in tiles, sinks or accessories.
3. Add in sun-kissed accessories in trending rose gold.
4. Treat your skin with nourishing natural products for that summertime glow.
5. Mix and match textures and finishes.
