## Hot Stuff

← **Made to shade**  
Rolltec Rolling Systems continues to be a leading Canadian manufacturer of high quality retractable awnings. With more than 100 luxurious acrylic fabrics, custom colour matching frames, manual and motorized operational options, Rolltec is one-stop shopping. These awnings also reduce internal heat by as much as 12 per cent.

↑ **Colour infusion**  
Inject some bright colours into your home with accessories from EQ3, Elte and Ginger's such as eclectic espresso mugs with mismatched saucers. [Eq3.com](http://Eq3.com)

## → Recycled hardware

DuVerre Hardware's Botero collection of knobs and pulls are curvy, modern and made from 100 per cent recycled aluminum. In addition to finishes in oil-rubbed bronze, polished and satin nickel, it's also available in white.

← **Soften the sunlight**  
Sun Glow shades feature eco linen fabric which offers a soft and natural look while providing a range of advantages such as unmatched flame retardancy, superior thermal control, and the Oeko Tex Standard 100 air-quality certification. The shade motors can also integrate into a home's automation system.
