#### VICTORIA + ALBERT'S RADFORD TUB

The Radford, one of Victoria + Albert's latest tub introductions, is an opulent, double ended roll-top freestanding tub with elegant rim detailing. Designed with classic symmetry linked to backrest angles, this tub offers the ultimate relaxation experience. The Radford is a stand-alone statement piece that is sure to become the focal point in any ensuite. Available at B.A. Robinson.

#### BOBOLI FIREPLACE

This stunning Boboli Fireplace mantel is a signature piece by Suquet Interiors. Actual architectural artifacts, the original quarry stone elements that make up the fireplace were salvaged from the façade of an 18th-Century Monastery building in Mexico City. Available at Suquet Interiors are custom cast stone reproductions of the Boboli as fireplaces or arches. This mantel has a rich culture and a rustic ambiance that will warm up any space.
