Frontgate Contract's Estate-Size Teak Shower Bench performs both in and around the shower area. Made with kiln-dried, sustainably harvested teak, it boasts expanded seating for two with a wide storage shelf beneath the seat. FRONTGATECONTRACT.COM

2
Ora from BainUltra is a collection of streamlined and elegant baths with a hydro-thermo massage experience combined with cutting-edge therapies and an inverted headrest. Available in an oval or rectangular shape. BAINULTRA.COM

3
3form's Varia Ecoresin product (Wander, in the dove colorway, is shown here) features a loose grid of sheer twisting ribbons. Available in four soothing colorways—coastal, dove, night, and maize—this non-toxic, sustainable material has 40 times the impact strength of glass. 3-FORM.COM

4
For the Crown Spa in Melbourne, Australia, SICIS Mosaic was used both for floors and curving, organic-shaped walls. Singapore-based architect and interior designer Michael Fiebrich used light aqua tones and iridescent blends in the pool area and a sleek black mosaic for the hammams. SICIS.IT

5
The Almond collection of sleek sinks and tubs for Porcelanosa, made from Krion, feature a subtle organic shape. PORCELANOSA-USA.COM
