volcanic limestone baths

Designed for a modern life

We are proud to present ios, an ultra contemporary, rimless freestanding bath. Designed for the very latest city apartments and en suites where beauty is an absolute necessity and space is at a premium. Meticulously hand crafted from ENGLISHCAST®, a mixture of volcanic limestone and resin which can be painted for a bespoke finish. Warm to the touch and incredibly strong, the ios looks stunning and carries a 25 year warranty, maintaining Victoria + Albert at the forefront of bathroom innovation.

The freestanding **Victoria + Albert's Wessex** tub is shown with white Englishcast feet, and a blend of limestone and high-performance resins that make it energy efficient and naturally insulated. The tub is durable and stain resistant and the exterior allows for personalization with faux finishes or custom paint jobs. VANDABATHS.COM
