5 Victoria + Albert's Cabrits bath has an elegantly curvaceous shape for a comfortable fit and sensuous look, and uses less water and heat due to its ENGLISHCAST construction. VANDABATHS.COM

6 Featuring an integral two-way diverter, HydroRail from Kohler converts an existing fixed showerhead to a spa-like shower. HydroRail is available in configurations for bath and shower and shower-only installations. KOHLER.COM

7 LATHER Hotel, a division of LATHER Inc., has partnered with luxury bath and body brand Mistral to introduce its first hotel amenity collection, Mistral Verveine. The botanically based collection draws on organic shea butter to soften, natural olive oil to hydrate, and verbena to energize and soothe. MISTRALSOAP.COM; LATHERHOTEL.COM

8 Moments hands-free bathroom faucets from American Standard boast a Selectronic proximity sensor, resulting in nearly one-third less water usage than a conventional bathroom faucet. AMERICANSTANDARD-US.COM
