**1** New Ravenna's Shades of Gray collection is handcrafted from natural stone in a variety of hues, including the cool blue spectrum represented in Ombre Chevron (pictured), a jewel glass mosaic made with lava stone, zircon, and alabaster. [NEWRAVENNA.COM](http://NEWRAVENNA.COM)

**2** Timber combines with a matte white solid surface for a contemporary and organic look in **Omvivo's** Australian-made Venice collection. Options include wall-mounted drawers with push-to-open mechanisms and a divider insert, as well as wall-mounted floating benches and mirrors set in a box frame (both shown). **3** Ionian from **Victoria + Albert** is inspired by the company's ios bathtub, but is slightly longer with a greater angle of recline while still taking up minimal floor space. A distinctive variable-width rim enhances the subtle oval design. [VANDABATHS.COM](http://VANDABATHS.COM)

**4** Made of solid ash, **Ryvyr's** redesigned and expanded Kent bath furniture collection is available in a brown ebony or whitewash finish (pictured), complemented by brushed nickel hardware. The wall-mounted model leaves an open area between the vanity and the floor and has a two-door cabinet for storage. [RYVYR.COM](http://RYVYR.COM)

The Cáscara freestanding tub is constructed of **MTI Bath's** proprietary Engineered Solid Stone. Its elliptical silhouette is clean and refined with curved sides and an oblique ledge. The tub is available as a soaker or an air bath with a full range of therapy options. [MTIBATHS.COM](http://MTIBATHS.COM)
