The Villeroy & Boch bathtub Squaro Edge 12 has clear lines and a stylish design. The tub now features a dual-color look, with shiny white inner surfaces complementing colorful side panels. The company's Colour-on-Demand program lets buyers choose from over 200 shades of paneling, allowing the tub to work in a variety of spaces. **Villeroy & Boch, Mettlach, Germany.**

The iWash S-10 Bidet Seat, from **Icera**, is designed to convert existing toilets into bidets, allowing hotels to bring the bidet concept to their guestrooms without sacrificing floor space. The iWash S-10 goes even further than traditional bidets, offering a heated seat with adjustable water temperature, a warm air dryer and an LED nightlight. **Icera, Santa Ana, California.** www.icerausa.com

seatCLEANER, from **Hagleitner**, offers cleaning and disinfecting foam that can be applied to the toilet seat with a piece of toilet paper. The foam won't be absorbed into the paper, and gets deep into the pores of the seat for a quick and effective cleaning. Refills are longlasting and a small red light indicates to staff that the device needs their attention. **Hagleitner, Zell am See, Austria.**
