Interior design by KATHLEEN RIVERS Architecture by STANLEY DIXON
Interview by MIMI READ Photographs by FRANCESCO LAGNESE

come as you are

A MOUNTAIN RETREAT THAT
FEELS LIKE A BIG HUG

An unused basement nook was turned into a guest bedroom. Rich brown burlap portieres create privacy and a cozy-hideaway feel. OPPOSITE: Dixon set up a crisp contrast in the master bath: a white Sunrise Specialty pedestal tub against dark limestone tiles running all the way up the wall. Rivers injected whimsy with a deep-seated slipper chair from Acquisitions.
