6

6. Arts-fully Done

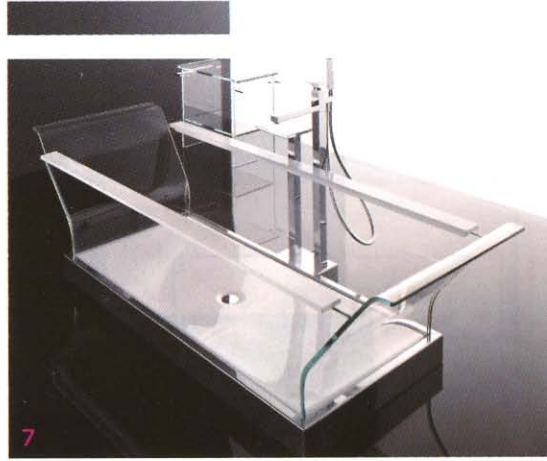

The SieMatic Beaux Arts Collection, created in collaboration with designer Mick De Giulio, is offered in white, beige, green and gray tones and wood finishes. Lacquer colors include warm matte tones of light brown, green, yellow and blue complemented by earthy brown and green tones as well as ochre hues. www.siematic.com

7. Clear Choice

The Cristal 1 from Novellini is made of safety stratified, extra clean crystal glass finished with a Crystal Clear Treatment that leaves the glass easy to clean and resistant to scale and bacteria growth. Included is the floor-mounted, single-lever mixer and overflow waste. www.novellini.com

8. Color in The Kitchen

Poggenpohl's new kitchen cabinet front colors include the beige Cubanite, light blue Oxide, modest green Fluorite and coppery orange Curite, all available as melamine coating, melamine with shiny poly-gloss coating, water-based lacquer or high-gloss lacquer. Also new are cool Polar White, a wood finish in Sand Pine and a Holm Oak wood veneer. www.poggenpohl.com
