A FRESH APPROACH TO HOME & LIFE

k

KITCHEN  
STAFF

We set out to discover some truly amazing products that create a level of culinary heaven with hard-working technology and thoughtful design elements. Whether you are a self-described foodie or simply appreciate outstanding, durable quality for the highest-traffic area in your home, we invite you to meet your new kitchen staff.

BY TERRI FERRAGUT

↑ European styling transforms your kitchen with Monogram's integrated, streamlined appliances. Range hood infrared warming generates heat that keeps food ready-to-serve while a shelf provides a plating area. Use the Monogram Kitchen app over Wi-Fi to control temps and timers. MONOGRAM, monogram.com. See locally at JW Kitchens.

→ Ruvati Italian-inspired premium stainless steel kitchen sinks and faucets brighten your space with eye-catching, interchangeable silicon soft-touch sleeves in white, black or red. RUVATI, ruvati.com.

↑ This artisan end-grain cutting board by Larch Wood Canada is a perfect kitchen mate when entertaining. With heirloom qualities, this chef-quality board will transcend generations. LARCH WOOD CANADA. [larchwoodcanada.com](http://larchwoodcanada.com). See locally at Creative Kitchen.

→ Be it a refreshing fruit smoothie or a creamy butternut squash soup, the Wolf Gourmet blender will craft what you crave. The responsive performance and design for quiet blending will make time in your kitchen a pleasure. WOLF, [subzero-wolf.com](http://subzero-wolf.com). See locally at Rigel's or Ferguson Showroom.

This versatile sink by Lenova is a cook's dream. Beautiful and highly functional, it features platform ledges that instantly convert to a steel colander, roll-up grid drainer and bamboo cutting board. The low divider accommodates large pots with large handles. LENOVA, [lenovasinks.com](http://lenovasinks.com).
