### European Home

#### Modern Fires and Design Elements

The Halcyon fireplace integrates effortlessly with your style. This fireplace is not dominated by overdone styling. Wallboard is brought to the opening so that no trim is required. Made in the US with a fine attention to material and details. t. 781.324.8383 or visit [www.europeanhome.com](http://www.europeanhome.com) **circle 236**

### CX Design

Our Cristallo Glass lighting collection delivers the perfect mix of old world elegance and contemporary simplicity. The Persia 30" Ring Chandelier can be customized to fit a variety of interiors and we offer a range of diffuser options and mounting configurations. All of our Cristallo Glass diffusers are handcrafted by master glass blowers in Murano, Italy, exclusively for CX Design.
