# What's Cool Everywhere Else

**WAC Lighting's** latest is Brittany, a 4<sup>1/2</sup>-in. x 7<sup>5/8</sup>-in. pendant featuring layers of Italian opaline glass that glow amber, gold and milky blue when lit. It is offered in an LEDme model that uses 12V and 3.4W with a color temperature of 3000K and a CRI of 80. Low-voltage halogen and line-voltage xenon options are also available. The fixture's hardware comes in brushed nickel, chrome, dark bronze and platinum, **Circle No. 210**

**Naxos' Sky Line** comprises rectified single-fired and white-body porcelain stoneware tiles inspired by precious marble. Available in seven colors for use in floor and wall applications, the latter is offered in a 32.5-cm x 32.5-cm format, while the former comes in a 32.5-cm x 65-cm or, depending on color, 32.5-cm x 97.7 cm size. A variety of coordinating mosaics and decorative trim are also offered. **Circle No. 211**

**La Cornue's Culinary Architecture** is a complete kitchen program featuring Cuisine de Memoire custom wood cabinetry and five fireclay handmade sink models. The cabinets are made of solid American oak or French walnut with metal bands at each corner of the frame and can be specified in a variety of sizes and finishes. Units with plain or custom-laser engraved glass fronts and optional LED lighting are also available. **Circle No. 212**

**Craft-Art** is now offering metal and glass countertops. The latter can be specified in more than 50 combinations of colors and textures with LED backlighting options. Metal countertops are available in stainless steel (shown), copper, pre-weathered zinc and bronze. With the exception of stainless steel, the metals will form a patina, and copper and zinc are recyclable. (Photo: © Sklep Spozywczy)

Install the wrong bath waste system, and your beautiful bathroom could go down the drain.

Announcing the Watco Innovator<sup>®</sup> Cable bath waste system: fully repairable from inside the tub.

Rarely does a Watco bath waste system need repair. But if it ever should, with our new Innovator<sup>®</sup> Cable you'll never have to cut through thousands of dollars of custom tile or install an unsightly access panel.

Watco's new Innovator<sup>®</sup> Cable was created specifically to complement the finest baths. It operates smoothly and reliably. It drains flawlessly in today's deeper tubs. Its overflow drain rate exceeds all other cable drains.

And, with Watco QuickTrim<sup>®</sup>, you can change to special finishes without removing the drain's strainer body.

With Watco behind the wall, bathrooms stay beautiful.

Available in chrome plus nine special finishes.

Offered in several configurations to adapt to virtually any tub or building environment.

Designed by architect Sergei Tchoban, **Duravit's** Esplanade bath collection takes its cues from the 18th and 19th centuries. It comprises a tub resembling a chaise lounge, a washbasin (shown) with the look of a chest of drawers and a tall cabinet with the appeal of a vintage trunk and handles made of hand-sewn leather; also included is a floor-mounted toilet. The line comes in Oak, which features dark wood paneling, or Silk, a white finish accented with leather pulls. **Circle No. 217**

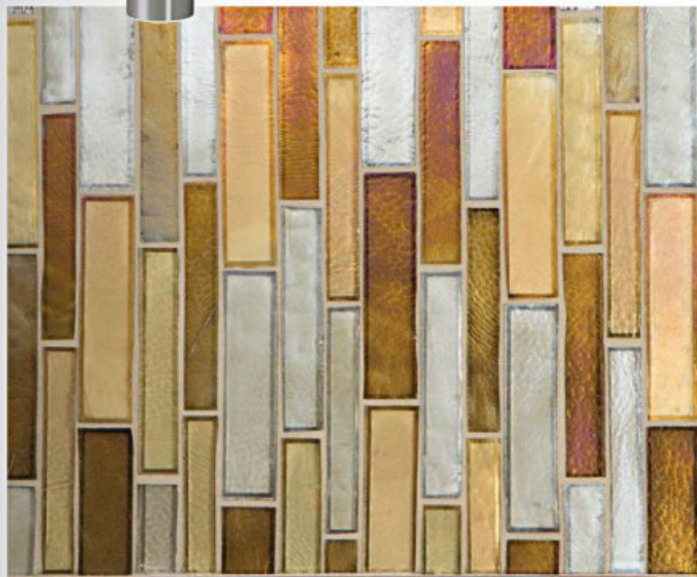

**Jado** has unveiled a Contemporary Floor Mount Tub Filler that comes with a sleek handshower on a 5-ft.-long metal hose. Available in polished chrome, brushed nickel and platinum nickel, it incorporates a single-control actuator and stands 43½-in. tall. **Circle No. 218**

**BainUltra** has extended its Essencia collection of therapeutic baths with Essencia Rectangular, a one-person freestanding tub measuring 68 in. x 38 in. x 26 in. Equipped with two rows of air jets, it features an inner shell with two seats that allow the bather a choice of three positions—stretched out, relaxed or seated—while enjoying a Hydrothermo massage. **Circle No. 219**

The **True** Professional Series Dual-Tap Beverage Dispenser incorporates the company's airflow technology and balanced refrigeration system to cool beer down to 33 degrees Fahrenheit, which is displayed on a blue LED panel. The unit accommodates one quarter-barrel or two one-sixth barrels of beer and, when needed, converts into a freestanding or undercounter refrigerator with 5.7 cu. ft. of storage capacity. It is Energy Star-qualified and UL-rated for indoor and outdoor use. **Circle No. 221**

**Walker Zanger** has expanded its Weave collection to include Stix, a range of hand-cut thin linear glass tiles available in ½-in. x 4-in., ¾-in. x 4 in. and 1-in. x 4-in. sizes. Tiles are offered in five solid colors and six blends that pair neutral grays with gold, bronze and white. **Circle No. 220**
