THE OFFICIAL SPONSOR OF

KBIS 2015

**Whirlpool's** new refrigerator with the CoolVox sound system will be available exclusively at Lowe's this summer. The system features Harman/Kardon speakers, connects with any Bluetooth-enabled device and brings audio into the kitchen without taking up extra space. **Circle No. 256** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

**Fractal** from **Sonia** features an asymmetrical design, with one end wider to accommodate extra storage. The sink offers ample countertop space and can be floor or wall mounted. The floor-mounted unit features tempered glass legs for a transparent effect, and both versions are available in four metallic finishes. **Circle No. 257** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

**Noritz America** has expanded its ecoTough and ValueSolutions tankless water heater series with three new models, including NR501 (pictured), NR662 and NRC711. Each model can be used for small to mid-sized whole-house applications and offers a compact design with a heat exchanger and scale-detection software for more proactive leak prevention. The series features a readout window that permits basic servicing without the use of a remote device. The NR501 is designed for one-bath homes in warmer climates and is an outdoor unit. **Circle No. 258** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

The 12-cup, programmable coffee maker from **Krups** features 950 watts of power, black plastic housing and stainless steel accents, an auto-on feature, aroma and keep-warm functions and automatic shutoff. It retails for \$49.99 and comes with a hinged water reservoir lid, a removable filter, a permanent filter holder and coffee scoop and a water-level indicator. **Circle No. 259** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

**Quick Drain** has partnered with designer Michael Graves to introduce a new drain line with Waves, a fluid design (shown), and Cosmo, a contemporary style. Both ADA-compliant styles are available in brushed and polished stainless steel or oil-rubbed bronze and are made of 18-gauge stainless steel. The drains are offered in standard lengths and can be customized up to 100 inches. **Circle No. 260** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

The Touch line of cabinetry from **Composit** and designed by Piergiorgio Cazzaniga is available in a wide variety of colors and finishes, including veneers, lacquers and acrylics, and offers a flush handle on the doors with a push grip. One version of Touch features a gray-painted, oak-veneer corner peninsula with a white matte-lacquered finish and a white synthetic worktop. **Circle No. 261** or visit [kbbonline.com/freeinfo](http://kbbonline.com/freeinfo)

The Pullout Cleaning Supply Caddy from **Hardware Resources** is a removable unit that keeps cleaning supplies organized, can hold a variety of bottles and boxes and can be carried throughout the home. The caddy, which is offered in a chrome finish, mounts under the sink, can hold up to 25 lbs. and features a plastic liner to catch drips. It retails for \$69.99. **Circle No. 221 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**

**Premier** has announced a new line of residential toilets in 12 models designed for contractors, builders, multifamily housing properties and retailers. Many of the new models, including the one pictured, are WaterSense labeled and ADA compliant.

**Circle No. 222 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**

**Häfele's** Lavidio Pantry Pull-Out features soft-open and close technology; shelves that are accessible from three sides for increased functionality and adjustable shelf heights for customized storage options. The pantry trays, which are made of melamine and steel and come in three finishes: chrome/maple, chrome/gray and chrome/white, offer a non-slip surface so everything stays in place while the shelves are moving, and each shelf can hold up to 44 lbs. **Circle No. 224 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**

The new Ledge Prep Sink line from **Lenova** is offered in three models - each featuring a 90-degree ledge pressed into the front and back of the sink that converts it into a food prep center. Optional accessories include a stainless steel colander, wood cutting board and roll-up stainless steel grid drainer. The line includes two 33-in. x 22-in. sinks, one single bowl and one double bowl, which features a low divider so large pans with long handles can fit easily into the sink. **Circle No. 223 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**

The **Bosch** 800 Series single wall oven features fast preheating, a large capacity of 4.7 cubic feet, a built-in meat probe, halogen lights for cavity illumination and a full-extension telescopic rack for easy handling. Available in stainless steel, the oven offers 14 specialized cooking modes; an EcoClean two-hour, self-clean cycle; automatic temperature conversion for convection cooking; and an amber-colored, full text display. **Circle No. 225 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**

**Elorado Outdoor Signature Kitchens** by **Elorado Stone** are pre-designed configurations that allow homeowners the ability to customize their outdoor cabinets by selecting from eight profiles and specifying the appliance brands and countertops they want! Each system comes pre-packaged with the cabinets, hardware, end-caps and components for assembly. **Circle No. 226 or visit [kbbonline.com/freetinfo](http://kbbonline.com/freetinfo)**
