## What's Hot in Tubs

6. The Nokori Oval 6737 from **BAINULTRA** boasts a simple and stylish exterior, while the interior has been designed to accommodate two bathers comfortably. The tub holds 66 gallons of water and is crafted out of white acrylic for a seamless appearance.

7. The new Lyndsay Freestanding Bathtub from **JACUZZI LUXURY BATH** features a classic design and is available in two sizes. Accessories that complement the collection include lavatory faucets, towel bars and tissue holders.

8. Inspired by 1950s and 1960s design, the Per Se Bathtubs from **KALLISTA** are offered in soft square and oval versions. Both are 62 by 34-inches with a 25-in. depth and a slotted overflow to achieve a deeper water level and a relaxing soak.

9. **DRUMMONDS'** cast-iron Wandle Tub was designed around the human form by Martin Brudnizki. It is available with feet for a more classic look or a skirt, which brings it lower to the floor for a more modern feel. The exterior can be painted, primed or polished to order.
