Requires assembly and installation.

Circle No. 188

Less Is More

Simple sophistication meets organic beauty in **Victoria & Albert's** Ravello 60 vessel basin. Made from Englishcast, a composition of finely ground volcanic limestone that won't crack over time, it measures 23⁵/₈ in. x 15³/₄ in. x 4³/₄ in., has a glossy-white surface that is both durable and easy to clean, and features soft curves with crisp edges. **Circle No. 212**

Chill Factor

In addition to a Twin Cooling System that circulates air within the refrigerator and freezer compartments individually to eliminate odor transfer and maintain optimal humidity levels, **Samsung's** RF4287 Four-Door French-Door Refrigerator is equipped with a Custom Cool Drawer—a counter-height middle drawer that can be individually temperature-controlled and accessed separately from the main compartment. The Energy Star-qualified unit also has a storage capacity of 28 cu. ft. and features a blue LED digital display.

Circle No. 213

Mix and Match

Handcrafted from art-grade bronze ingots, **Top Knobs' Aspen** cast bronze collection includes 180 products, from nature-inspired twigs and antique cup pulls to traditional ring pulls, potato knobs and backplates. Available in a variety of styles and sizes, the products have a proprietary sealed finish so they maintain their color/finish and come in light bronze, mahogany bronze, silicon bronze light and medium bronze. **Circle No. 214**
