Continued on page S18

Note: Highlighted exhibitors represent companies advertising in the March and/or April issues of *Kitchen & Bath Design News*.

16. Fairmont Designs (Booth 1212)

introduces the Stratford vanity collection, with cherry veneers in a two-tone finish. The vanity features a cabinet with bottom drawer or open-shelf option and antique brass finished knobs.

Circle No. 235 on Product Card

17. The Alexandria Door from **CNC Associates (Booth 673)** combines classic character and craftsmanship with clean, modern design. The cabinet door features mitered styling with flat center panels.

Circle No. 236 on Product Card

18. The Eaton Vanity Collection from **Sagehill Designs (Booth 1244)** has been inspired by mid-century design elements yet updated for current bath interiors. The cabinets feature unusual canted legs and matching angled mirror frames. Both taller and lower leg options are included, so either standard inset sinks or vessel top sinks can be used with the same cabinet.

Circle No. 237 on Product Card

19. The **Rev-A-Shelf (Booth 2115)** 5PD Pull Down Shelf Organizer is a solution for hard-to-reach shelves. Designed for 24" and 36" wall cabinets, the new design features contoured wire shelving and a locking mechanism that locks the shelf in place for easy accessibility.

Circle No. 238 on Product Card

20. Legacy Crystal Knobs and Pulls from **Atlas Homewares (Booth 1854)** feature crystals artistically inset. A square and round knob are featured in the collection, as are a 4" and 6" pull, and a 3.75" and 5.75" bracelet pull.

Circle No. 239 on Product Card

21. **Arstar (Booth 115)** manufactures cultured marble and granite vanity tops in Monterrey, Mexico. A wide range of designer styles, sizes and colors, in both matte and gloss finishes, is available. Sizes range from 17" to 73", with single- or double-bowl configurations..

Circle No. 240 on Product Card

22. A new line of metal vanity feet from **Osborne Wood Products (Booth 2344)** features designs ranging from modern cubes to cones to scrolls. Available finishes include polished stainless steel, brushed nickel and wrought iron. Shown is the Madison Vanity foot, which features a modern cube shape. Offered at both 3" and 4" tall, it comes in a stainless steel finish.

Circle No. 241 on Product Card

23. **Strom Plumbing from Sign of the Crab (Booth 1876)** combines old-world style with modern technology in its collection of bath fixtures. Among the offerings are reproductions of cast-iron tubs, a stand-alone shower pan and a wide selection of acrylic tubs.
