9 Dream Bathroom Products

Complete your retreat with these fixtures, flooring, and more. Your bathroom should be a haven. Love to soak in the tub? Wash your hands in a sink that makes you smile? Would you like to step from the shower to a warm bathroom floor? It's all here, ready to inspire you.

1 A BETTER BATH

Lay back for a soak in the **Vandabaths Cabrits tub**. It's contoured for comfort and fashioned from ENGLISHCAST®, a mix of limestone and resin that the manufacturer says is easy to clean and naturally white. Love the look? Matching sinks are available as well. We're not the only ones who like it: the tub received a merit award from Kitchen + Bath Business magazine's 2012 Product Innovator Awards. www.vandabaths.com
