Thanks to significant advances in computer modeling and integrated engineering, architects can now realize new dimensionality when conceiving grandiose edifices

LOOKS LIKE NEW

MTI Whirlpool's Boutique Collection of solid-surface sinks features an engineered, solid-surface composite material, which is non-porous, stain resistant, mold and mildew resistant. Easy to clean, the high-end sinks retain a new appearance with minimal maintenance. Visit www.mtiwhirlpools.com or Circle 516

PUMP IT UP

SFA Saniflo's Saniswift gray water pumping system features strong, affordable pumping in a compact, contemporary design. Shipped fully assembled, the unit comes ready for installation. Visit www.saniflo.com or Circle 514

JUST ILLUMINATING

For a bright, flashy bathroom look, **Neo-Metro's** Custom Ebb Concept features a mix-and-match suite of basins, finishes, colors and lighting options. Installed inside the resin basin, the fluorescent light tubes illuminate the basin, bringing the décor to life. Visit www.neo-metro.com or Circle 515
