(800) 783-8827

Since 1988, MTI Whirlpools has earned a reputation for impeccable quality, innovation and unique customization of whirlpools, air bath and soaking baths, offering more than 80 different models with endless options. The company's Fill-Flush® self-cleaning system was the first patented cleaning system for whirlpool plumbing lines, and today this unique system still sets the standard for whirlpool cleanliness. All MTI Whirlpools' Classic and Designer Series baths are protected by the whirlpool industry's first-ever Lifetime Limited Warranty. MTI also offers durable acrylic shower bases, stylish kitchen sinks, the unique Jentle Jet® laundry sink and the Jentle Ped® patented whirlpool foot bath. Located near Atlanta, the employee-owned company offers products through an exclusive network of kitchen, bath and plumbing showrooms throughout the country.
