ICERA USA

Designed to fit small bathrooms, the Malibu II 10-inch rough-in toilet has a compact-elongated bowl, a 2½-inch trapway, and a 3-inch flush valve. Available in white and balsa, it flushes with 1.28 gallons. icerausa.com / **CIRCLE 864**

BLUESTAR

The manufacturer says its new 36-inch induction cooktop offers the most powerful single burner in the industry. Using Power Boost technology, it can bring 1 gallon of water to a boil in three-and-a-half minutes. It offers two-burner bridging technology and 12 cooking settings. bluestarcooking.com / **CIRCLE 865**

KALAMAZOO OUTDOOR GOURMET

Arcadia is a new line of outdoor cabinets featuring contrasting brushed stainless steel detailing with a choice of oiled ipe wood or powder-coated panels. Products come in a range of sizes from 12 to 36 inches. kalamazoooutdoor.com / **CIRCLE 866**

HANS GROHE

Known for ultra-modern products, the company has debuted the Montreux faucet that merges traditional design with clean details. Part of the high-end Axor collection, the Belle Époque-inspired unit comes in various configurations. hansgrohe-usa.com / **CIRCLE 867**

LYNX GRILLS

The Sonoma Smoker is a Wi-Fi- and app-enabled product featuring an intuitive LCD control panel. Other details include a built-in meat probe, custom wood chip box, and 1,000 square inches of cooking surface.
