INSPIRATION

THE OFFICIAL PUBLICATION OF THE NATIONAL KITCHEN + BATH ASSOCIATION

The background of the cover is a photograph of a modern, walk-in shower. The walls are covered in large, dark, vertically-grained panels. On the left, a wall of white marble with grey veining features several circular showerheads. On the right, a chrome shower system with multiple showerheads and handheld sprayers is mounted. The floor is made of light-colored wood-look planks. A small, square inset window in the center wall shows a white bottle and some greenery.

KITCHEN FAUCETS / STEAM SHOWERS

**KOHLER**

Expanding on its Artist Edition collection, the brand's two new Kensho sinks offer modern forms inspired by nature, Eastern motifs, and textile patterns. The 28-inch trough-style unit (shown) features an etched pattern inspired by Japanese Sashiko kimonos. It's available in two material options: charcoal gray Foussana and snowy white Biancone limestone.

**FRANKE**

The company's seven new garbage disposals range from 1/3 hp to 1/4 hp. Each grinds food to septic system-compatible levels of fineness while using less energy, the company says. Bio Shield inhibits bacteria growth, and a magnetic rim prevents metal objects from falling into the unit. [franke.us](http://franke.us) / CIRCLE 866

**ATLAS HOMEWARES**

The Tom Tom urban collection of knobs and pulls takes inspiration from traditional tom-tom drums. The hardware comes in two styles: a 1 1/4-inch round knob that is as wide as it is high and a long pull that comes in two lengths. Both styles are available in five finishes. **STREAMLINE HOODS**

The manufacturer's dishwasher sink is designed for small spaces that cannot fit a built-in dishwasher or have little counter space to spare. The unit is top-mounted and comes with a complete accessory package. It measures 35 1/2 by 19 3/4 by 23 3/4 inches.

**BLUESTAR**

The company's new 36-inch built-in French-door refrigerator is ideal for kitchens with tight space. It features a stainless steel interior, dual compressors, and LED lighting. A fully extending bottom shelf fits a full-size commercial sheet pan.

**CIRCLE 868**

**BRIZO**

The Levoir Collection is informed by Mid-Century style and British automotive designs from the 1960s, the manufacturer says. A variety of bath products are available, including lav faucets, tub spouts, and showerheads, in a choice of five finishes. Black crystal accents for select lever handles add extra glint, the company says.

**LUXE LINEAR DRAINS**

The manufacturer's stainless steel linear drains now come in a Roman-style decorative pattern option that delivers waves of visual movement. Ideal for creating barrier-free showers, it's available in six sizes ranging from 26 to 60 inches long. [lineardrains.com](http://lineardrains.com) / **CIRCLE 870**

**MTI BATHS**

Capitalizing on the neutral color trend, the manufacturer is offering its Boutique line of products in six organic hues inspired by the earth, sea, and sky. Terracotta is shown here on the Luna above-counter sink, which measures 13¾ inches and is made from the brand's SculptureStone, a mostly organic material.
