HARDWARE Wild Thing

If necessity is the mother of invention, thank heavens artist Edgar Berebi needed cabinet knobs for his Providence, R.I., home. Unable to find knobs to complement his antiques collection, Berebi decided to design his own, and the Edgar Berebi Architectural Hardware Collection was born. This cast-pewter, silver-plated, hand-enameled frog knob is studded with Swarovski crystals. 1.25" DIAMETER, \$75. LIGHTING

Evening Star

As elegant as it looks at first glance, this chandelier is made for the out-of-doors. Picture it glowing above the dining table on your porch, its basket overflowing with ivy or moss, or filled with pinecones or seashells. Its rust finish will only improve with age and exposure.

36" TALL, 22" DIAMETER BASKET, \$175. AVAILABLE AT RIVER, ESSEX, CONN., (860) 304-8480, WWW.RIVER-CT.COM

FURNITURE

Signature Piece

With its chrome curves and glass shelves, the fluid Paraphe bookshelf, designed by Mehdi Izemrane for the new Les Contemporains collection at Roche-Bobois, lives up to its name—a French word for the sort of flourish one might add to one's signature. Indeed, the piece brings a decidedly contemporary flourish to the wall.

106" LONG x 79" HIGH x 16" DEEP, FROM \$8,485. ROCHE-BOBOIS, BOSTON AND NATICK, MASS., (800) 717-2747, WWW.ROCHE-BOBOIS.COM
