## The Elegant Bath Vanity

CHRISTINE GRIFFITHS  
**Kallista's For Country by  
Michael S. Smith Console**

///

"This console has a classically elegant design but with a modern update of turned, tapered legs. The gorgeous polished nickel and white Thassos marble will never go out of style, and it's perfect for showcasing a favorite wallpaper or wall tile."

*Best Plumbing Tile & Stone, Stamford,

LISA HILDERBRAND  
**Tommi Parzinger Cabinet**

///

"One of my favorite things to do is mount an interesting cabinet as a vanity. This white lacquer cabinet from the mid-twentieth century has so much personality! Add a white marble top, a vessel sink, and a wall-mount faucet for a bathroom that's a knockout."

BETH ROSENFELD  
**Furniture Guild's Thomas Vanity**

///

"The elegant mirrored door style on this vanity adds style and sparkle, while hiding all your stuff. I love that one mirrored panel pulls out, offering an easy-to-access drawer." *Klaff's, South Norwalk and Danbury,  
(800) 552-3371, klaffs.com*
