✓ **HYDRO DRY**

Equipped with patent-pending 1mm spacers, HydroGap Drainable Housewrap sheds up to 100 times more water than other weather-resistant barriers, preventing damaging mold and rot. In 500-square-foot rolls: \$126. Benjamin Obdyke, (800) 523-5261, benjaminobdyke.com

< **RUGGED WRENCH**

The Ridgid 24" heavy-duty pipe wrench is made of sturdy cast iron. It has an I-beam handle with a full floating hook jaw that can handle pipes up to 3" wide. With a full lifetime warranty. \$70.90. Ridgid Tool Co., (800) 474-3443, ridgid.com

New and improved products help with energy conservation as we move into fall.

✓ **HISTORIC, DOUBLE-GLAZED**

The Nantucket is an insulated window featuring recycled, historic glass on the outside and new glass on the inside, offering double glazing without the need for a storm window. No need for putty, either. \$1,900 and up. Cooper Windows, (860) 599-2481, cooperwindows.com

< **SURPRISING WARMTH**

Using the same amount of electricity as a light bulb, the Heated Washstand warms your towels. The Edwardian-style stand is made of solid brass in a selection of high-end finishes. The four-legged version is 28½" wide x 21½" deep x 32" high. \$4,300. Sterlingham Company, (800) 727-6317, sterlingham.co.uk

CHINK THOSE LOGS >

Give your log house the look of historical mortar chinking with Log Jam, an acrylic elastic chinking-joint sealant. The material has excellent memory and will stretch, compress, and absorb movement over and over again. Five-gallon pail: \$229.49. Sashco, (800) 767-5656, logsaintwood.com
