Accessory faucet

Water, Inc.'s Distinctive Series LVH 1200 accessory water faucet features futuristic lines with a modern look; while

making a design statement in modern kitchens or a stunning accent to eclectic ones. Instead of knobs, the LVH 1200 uses twin levers that flank the base of its barrel-tipped spout. The spout features a generous 6" reach and stands over 7" above the countertop; allowing for the easy filling of cups, pots, and pitchers. Available in three distinct finishes – Chrome, Satin Nickel, and Oil Rubbed Bronze. The lead free LVH-1200 faucet boasts a built-in aerator and ceramic disc valves to ensure long-term operation.
