### ADA-approved faucet

The Colony Soft kitchen faucet from American Standard features a high-arc design and clean, soft lines designed to complement contemporary kitchens. The ergonomic three-function pull-down hand spray easily toggles from pause to spray to stream at the touch of a button. The ADA-approved lever handle offers memory position valving that provides water at a preferred temperature. Equipped with a solid brass sprout and ceramic disc valve cartridge, the Colony Soft high-arc faucet can provide a lifetime of drip-free performance. **American Standard.** [www.americanstandard-us.com](http://www.americanstandard-us.com)

### Modern update

Moen's new Arris bathroom collection is an ideal choice for homeowners looking to give their bathrooms a modern update. Available in chrome and Moen's LifeShine brushed nickel finishes, faucet options within the Arris collection include a single-handle, single-hole mount faucet (pictured), as well as two-handle wide-spread and wall-mount platforms. All faucets are certified to meet WaterSense criteria. The faucets are flow-optimized and allow water to flow at 1.5 gallons per minute. **Moen.** [www.moen.com](http://www.moen.com)

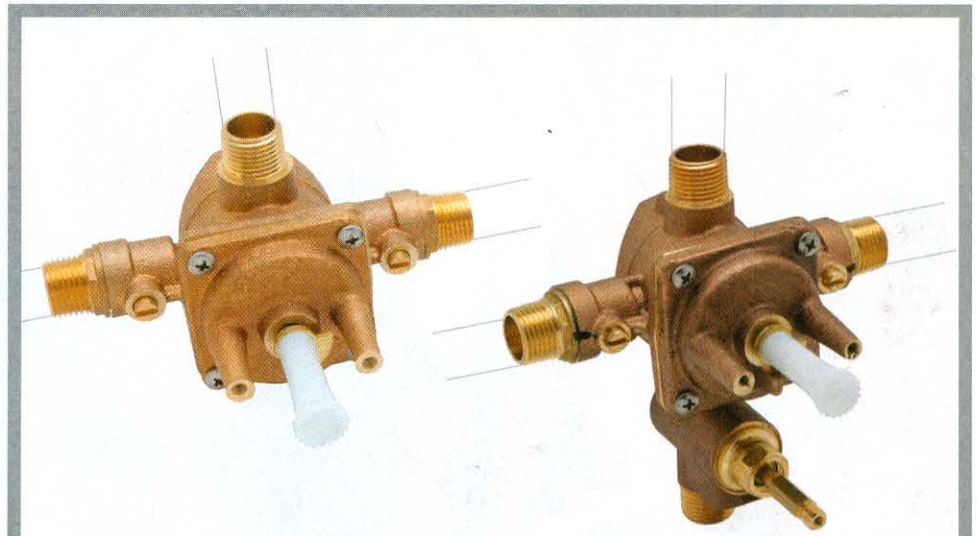

### Pull-down faucet

Gerber's Daylene pull-down kitchen faucet features a ceramic disc cartridge with temperature limit stops, single-hole installation, swing spout and a spring-loaded, pull-down hose that extends 59". The 2.2-gpm (at 60 psi) faucet has low-lead waterways that meet and exceed low-lead legislation requirements. **Gerber Plumbing Fixtures.** [www.gerberonline.com](http://www.gerberonline.com)

### Stainless-steel kitchen faucet

Lenova Sinks' new line of solid stainless-steel kitchen faucets has a variety of models with styles ranging from sleek and modern to single-level or dual-handle. Lead concerns are eliminated and the satin polish on the stainless surfaces ensures a good-looking faucet for its lifetime. All faucets have ceramic disc cartridges. **Lenova Sinks.** [www.lenovasinks.com](http://www.lenovasinks.com)
