## BEST-LOOKING TRUCKS OF 2017

Zoom Drain Philadelphia in Norristown, Penn., is PM's February 2017 Truck of the Month.

- ▶ The wireless tool revolution
- ▶ Barn home uses radiant heat

## BATH ACCESSORIES

### SPACE-SAVING ELEGANCE

Sterlingham's Arley Towel Warmer features a space-saving wall-mounted design. It is offered in electric, hot water or dual-fuel. Available in custom sizes and configurations, the standard size has a wall mount depth of 5-1/2". The dimensions can be tweaked to suit each customer's needs. Custom finishes and details are available including standard finish options such as polished brass (pictured), polished chrome, polished or matte nickel, antique gold, copper and bronze. Concealed wall mounts are also included. The patented low-energy design, quality and elegance make it a beautifully practical accent in any bath décor. **Sterlingham. ### A FINISHING TOUCH

With design styles to complement spaces ranging from modern minimalism to luxe traditionalism, Jacuzzi-brand accessories provide a finishing touch. The Barrea, Mincio and Salone (pictured) accessory families are comprised of towel bars, towel rings, robe hooks and tissue holders. All items are made in the EU with high-quality solid brass construction. Each design style is available in a variety of finishes, including chrome, brushed nickel, polished nickel and olive bronze, and also has a coordinated offering of faucets and tub fillers. Mounting hardware is included. **Jacuzzi Luxury Bath. [www.jacuzziluxurybath.com](http://www.jacuzziluxurybath.com)**

### INGENUITY AND QUALITY

Dezi Home's Contemporary Expandable Bath Rack keeps necessities within easy reach. Its features include an unusually wide adjustability range, an iPad holder and nonslip surface handles — when it comes to utilitarian bath accessories, ingenuity and quality matter. With an adjustability range of 27-1/2" to 37-1/2", the bath rack is designed to meet a variety of needs. Rubber nonslip handles combat wet and soapy conditions and prevent its contents or the entire rack from being bumped into the tub. It is constructed of solid brass and available in polished chrome, polished nickel and satin nickel. **Dezi Home. [www.dezihome.com](http://www.dezihome.com)**

## IF YOU OWN CERTAIN INSINKERATOR BRAND F-201 INSTANT HOT WATER FILTERS, You Could Claim Benefits from a Class Action Settlement.

*A federal court authorized this notice in a case called Desio v. Emerson Electric Co., No. 2:15-cv-346 (E.D. Wash.).*

### What's This All About?

There is a proposed settlement regarding certain InSinkErator F-201 filters used in water filtration systems, which were designed to be used in instant hot water dispenser systems. The lawsuit alleges that the filters can crack and cause water damage. InSinkErator denies it did anything wrong.

### Are You Affected?

Your rights are affected if you own or lease a residence or other structure in the United States containing (1) an installed InSinkErator F-201 Instant Hot Water Dispenser Filtration System ("F-201 System") and (2) an F-201R filter cartridge manufactured from 2001 through January 31, 2011 ("Old Filter"). InSinkErator no longer sells Old Filters. You can see pictures of an Old Filter at [www.F201WaterFilterSettlement.com](http://www.F201WaterFilterSettlement.com).

### What Can You Get?

The proposed settlement would allow affected people and businesses to ask for (1) a free new filter to replace the Old Filter (up to three per person), (2) a cash award of \$15 per Old Filter (up to three per person), or (3) a cash award to pay for up to 40% of any property damage expenses paid out-of-pocket related to Old Filter failures occurring after January 22, 2018. The settlement agreement calls for the payment of \$3.8 million into a settlement fund to provide these settlement benefits and to pay attorneys' fees, cover costs and expenses of providing notice and administering the settlement, and pay a service award to the two Representative Plaintiffs who filed the lawsuit.

### How Do You Get Your Settlement Benefits?

You have to file a claim by December 31, 2020 to receive settlement benefits. Go to [www.F201WaterFilterSettlement.com](http://www.F201WaterFilterSettlement.com) to file a claim online now. The website also provides instructions for how to file a claim in hard copy through the mail.

### What Are Your Other Options?

**1. Do Nothing** – You will remain in the settlement but you will not receive settlement benefits and you give up your rights to sue InSinkErator for the legal claims in this case.

**2. Exclude Yourself** – If you do not want to be included in the settlement, you must exclude yourself by January 22, 2018. If you exclude yourself, you will not get settlement benefits from the Settlement, but you will keep your right to sue InSinkErator. The website explains how to exclude yourself.

**3. Object** – If you remain in the settlement but don't like it, you can object to it by January 22, 2018. The website explains how to object. The Court will hold a hearing on February 6, 2018 to consider objections. If you object, you can appear at the hearing on your own behalf or through an attorney, but you don't have to.

This is only a summary. For detailed information, visit the website or call the number below.
