## Latest Products

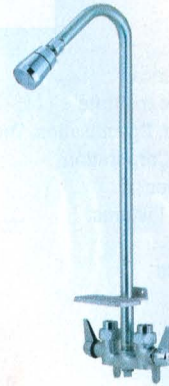

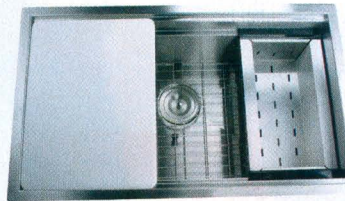

### Hospitality bathtub

Ideal for smaller bathrooms in the hospitality marketplace, Victoria + Albert's ionian tub consumes little floor space while having larger interior dimensions. The tub's gentle angles allow for a luxurious soaking experience. A subtle oval silhouette gives the ionian an ergonomically designed angle of recline. **Victoria + Albert.** [www.vandabaths.com/us/americas](http://www.vandabaths.com/us/americas)

### Prep station sink

Nantucket Sinks' new Pro Series ZR-PS-3018 16 Prep-Station sink is designed to serve in premium 16-gauge 304 stainless steel. The zero-radius sink has three tiered levels at its edges, which allows kitchen tasks to be completed with optimal efficiency. **Nantucket Sinks.** [www.nantucketsinksusa.com](http://www.nantucketsinksusa.com)

### Utility shower faucet

Matco-Norca offers a hot-and-cold water utility shower faucet in chrome-plated brass. The UTF-3 utility shower faucet features an 18" rise shower arm connecting to a heavy-duty plastic showerhead. Metal handles are connected to a 3 1/4" center body. An aluminum soap dish is positioned just above the center body for a complete shower setup. **Matco-Norca.** [www.matco-norca.com](http://www.matco-norca.com)

### Copper tube app

The Copper Tube Handbook app has moved platforms and must be downloaded again from the Apple App Store in order for users to continue to receive updates. The new app is available for Apple and Android users and is free for the first 10,000 users. **Copper Development Association.** [www.copper.org](http://www.copper.org)

### Dewatering pump set

BBA Pumps' new BA100K is a diesel-driven 4" solids handling pump. The pump has a capacity of more than 190m<sup>3</sup>/hour (836 gpm) and a maximum head of 22 mwc (73').
